Stengel  
M. in Leipzig  
1941

My notebook was damaged in  
the fire of the night of the 1st  
of September. I have now  
written down the contents of  
the notebook in this notebook.  
The notebook was written  
in the year 1938. It contains  
the names of the people who  
were in the notebook at that  
time. The notebook was written  
in the year 1938. It contains  
the names of the people who  
were in the notebook at that  
time. The notebook was written  
in the year 1938. It contains  
the names of the people who  
were in the notebook at that
