

Decorative frieze with a central circular motif and a series of stylized, repeating patterns along the top edge of the gable.

Five small, arched windows arranged horizontally in the upper section of the left building.

A single, larger arched window with a decorative frame, located below the row of five smaller windows.

An arched doorway with a decorative pediment, serving as the main entrance to the left building.

A smaller, arched window on the side wall of the left building.

Architectural inscription on the facade of the main building, partially obscured by shadows.

Architectural inscription on the facade of the main building, possibly identifying the institution.
