*To say that his will be one of the highest places in God's own kingdom. Annie
 was at his death-bed. Pray for him. Yours, A.M.K.*

*The hand of God had once more rested on our happy little
 band and another has gone to take his place in the
 heavenly throne. On the 16th in Paris after three months
 illness he never left this world of trouble and on the
 7th was laid to rest in the little cemetery of St. Sulpice
 near the last home he knew. Our prayers shall
 be for him and when the day of judgment comes it will be safe*
